## Phoenix New Media Announces Change of Executive Positions to Accelerate Development of Yidian

BEIJING, China, September 01, 2017 — Phoenix New Media Limited (NYSE: FENG) (“Phoenix New Media”, “ifeng” or the “Company”), a leading new media company in China, today announced that Mr. Ya Li and Mr. Tong Chen have submitted resignations from their executive positions at ifeng in order to fully commit to accelerating the strategic development of Particle Inc. (“Particle”).

Mr. Ya Li and Mr. Tong Chen have been serving as Co-Presidents of ifeng while simultaneously serving executive positions at Particle. After their resignations become effective on Friday, September 8, 2017, Mr. Ya Li and Mr. Tong Chen will continue to serve as the CEO and President of Particle, respectively. Particle owns Yidian Zixun (“Yidian”), a rapidly-growing personalized news and life-style information application in China, which allows users to efficiently define and explore individualized content over mobile devices. The Company currently owns approximately 41.82% of the total outstanding shares of Particle on an as-if converted basis.

Mr. Shuang Liu, CEO of Phoenix New Media, stated, “Yidian is now at a critical juncture of growth acceleration. To ensure its development momentum, we are happy to dedicate two talented executives to its executive positions. Instead of dividing their executive attention between ifeng and Yidian, both Ya and Tong can now devote their entire time and energy to the development of Yidian. Under their leadership, Yidian should be able to continue making solid progress in both user growth and monetization.”
